

“A Face for All Occasions”

Sponsorship Information

We welcome your sponsorship. If you are invested in the northwest film community this is a great way to gain recognition.

Our Background and Extra Level Sponsors

Contributors giving in-kind services or contributions under \$100, will be listed in the production credits at the end of the show. We love you and we couldn't do this without you.

Our Supporting Role Level Sponsorship

At the \$100 and up level, contributors receive a poster to display in their business which thanks them for their support and informs their customers about the production. They will also receive a DVD copy of the project; be listed in our screen credits and on our website along with our crew.

Our Lead Role Level Sponsorship

Sponsors at the \$500 and above level will also get prominent placement on the home page of the “Face for All Occasions” website. Their logo and an active link will appear on the front page next to the project description. These sponsors will have seats reserved at the Seattle premier screening, and will be encouraged to share and display promotional materials at our events.

HOW TO SPONSOR:

Please provide the information listed below along with your contribution to Hero Labs. Sponsorship payments can be made by check, cash, or through pay pal by sending to Staci Bernstein 1451 169th place NE Bellevue, WA or staci@herolabs.net. Receipts will be issued once payment is received. If you would like to make a tax deductible contribution this can be arranged by contacting us in advance. For in-kind types of sponsorship please have us draft you a quick letter of agreement in place of your receipt.
